THE SCORE

MY GOD, IT'S FULL OF SHARKS!

This shouldn't be happening. A Sharknado defies all science, logic, rhyme and reason, but the sharks don't seem to care much about that. You don't have time to care much about that either. Storm clouds are gathering. The sharks are coming. What are you going to do about it?

PLAYSET LOCATION

Somewhere on the east coast but honestly it could strike anywhere.

MOVIE NIGHT

Sharknado, Sharknado 2 : The Second One, Sharknado 3 : Oh Hell No! ,
Rifftrax Sharknado : Live , Them, The Giant Spider Invasion,
Beginning Of The End
